

General Instruction for the Class Test of the course of Industrial Instrumentation (EE41001/EE60031) on October 07, 2021.

1. The Examination will be held on October 07, 2021 during 05:00PM-06:30PM for 90 mins
2. We will send you a password protected file titled “***QP_Industrial Instrumentation_EE41001_EE60031_07102021***” containing the question paper on Oct. 7, 2021 by 04:45PM via email. In case you have not received it via email, you can download it from **MS Teams** under **Assignment** section titled **Class Test 2**. You **need not** send any acknowledgement to the TAs on receiving the Question papers.
3. The **password** to open the question paper file mentioned above will be sent to your email account and updated in MS Teams at **04:55PM**. on Oct. 7, 2021. Your time to start answering starts immediately as you can open the question paper file using the password.
4. Answer **all Questions in your handwriting** neatly on pages and submit the pictures/scanned copies of **handwritten** solutions as a **single .PDF** file. The file name should be “**<Your Roll No>_CT2_<Your First name>.pdf**”. **Ensure to follow the naming norms.**
5. You may consult any source of reference available to you. However, you must not copy from any source. If two or more submissions are found to be copied versions of each other, even in part, the answer for that part of the question shall be cancelled for all of these.
6. To submit the answer script of Industrial Instrumentation, login to your **MS Teams** and there the **Class Test 2** will be listed in **Assignments**. Also **submit** your answer script using this dropbox link:

<https://www.dropbox.com/request/fkDDjbm3A6N9aYvCI6l9>.
7. Deadline for submission of the answer script file to MS Teams and dropbox is **07.10.2021; 07:00PM**. No submissions will be accepted after the deadline.
8. Join MS Teams by **04:55 PM on Oct. 07, 2021**, you should remain online through the entire duration of Test.
9. If you have not received any communication from the TA by **05:00PM on Oct. 07, 2021** **contact your TA**.
10. Make all arrangements at home so the time is well spent during the test.
11. If you have questions, ask them well before the exam.

Good luck!
